

ALEXSNYDER

w w w . a l e x s n y d e r . c o m

EDUCATION

Ohio University's Scripps School of Communication

Athens, Ohio

Major in Photojournalism

Specialty in Biological Sciences

Expected Graduation June 2010

Scotland Field School

Study-abroad program through Ohio University

Lived and traveled throughout Scotland and completed photojournalism assignments.

July 15-August 15, 2008

Nelsonville-York High School

Graduated June 2006

Workshops in Photography and Photoshop

Various locations throughout the United States

EMPLOYMENT

Wayne National Forest Service

June-September 2009

Photographer/Social Media Expert

During my time with the National Forest Service, I worked directly with the Public Affairs Officer.

I photographed special events for the forest and developed a network of social media for the forest.

I also had the honor of being the official photographer for Secretary of Agriculture Tom Vilsack during his visit to Ohio for his "Rural Tour."

Department of Homeland Security and Ohio University

2009-Present

I am currently involved in a photographic project that is a collaboration between the US Department of Homeland Security and Ohio University's School of Media Art's and Sciences.

Alex Snyder Photography

2006-Present

I operate a photography business specializing in travel and nature photography stock and print sales as well as weddings and senior portraiture .

Over The Back Fence Magazine

Summer 2007- 10-week internship

During my internship with the magazine, I traveled throughout central and southern Ohio photographing various historical and scenic sights. This photographic project helped replenish the stock portfolio for the magazine. I was also given a spot on the masthead, which no prior intern had been given.
